OneStopPlus.com—Plus Size Fall Fashion Trends Hit a High Note!

New York, NY – October 16, 2008 – OneStopPlus.com, the world's first and only online fashion mall for plus sizes has introduced the Fall 2008 trends in a most delightful way...with music! Each of the eight fashion trends was paired with a different musical genre. OneStopPlus.com is the brainchild of Redcats USA, the plus-size fashion leader. Below are a few hits that topped the trend charts:

Heavy Metal – these hard rocking fashions are all about “attention getters” – metallics and fabrics that shine – sequined tunic, ruffled sweater, metallic tee, sequined cardigan and high-stepping stretch leather boots.

Mix Master – Solids and prints create a smooth move – you can even “mix” prints with prints to make a bold statement on the dance floor – artsy swiss dot tunic, bejeweled tunic, tie-dye crossover tunic, V-neck blouse, velour tunic or spicy patent open-toe pumps. Bold accessories add just the right touch!

Country – Step aside “southern belles” and look at the rich plaids, soft corduroys and supple leather that makes up this collection – kabuki knot yarn sweater, brushed plaid skirt, expandable hobo bag, moleskin jacket, denim shirt, classic 5-pocket jeans and sharp corduroy jacket. You will stand out from the rest of the “line dancers” in these comfortable and chic designs.

Customers can visit www.onestopplus.com and see the other “musical” trend-setting styles featured: **Smooth Jazz, Rock, Rhythm & Blues, Salsa and House Music.**
